

Experiment 1 Fixed 30-period tariff baseline

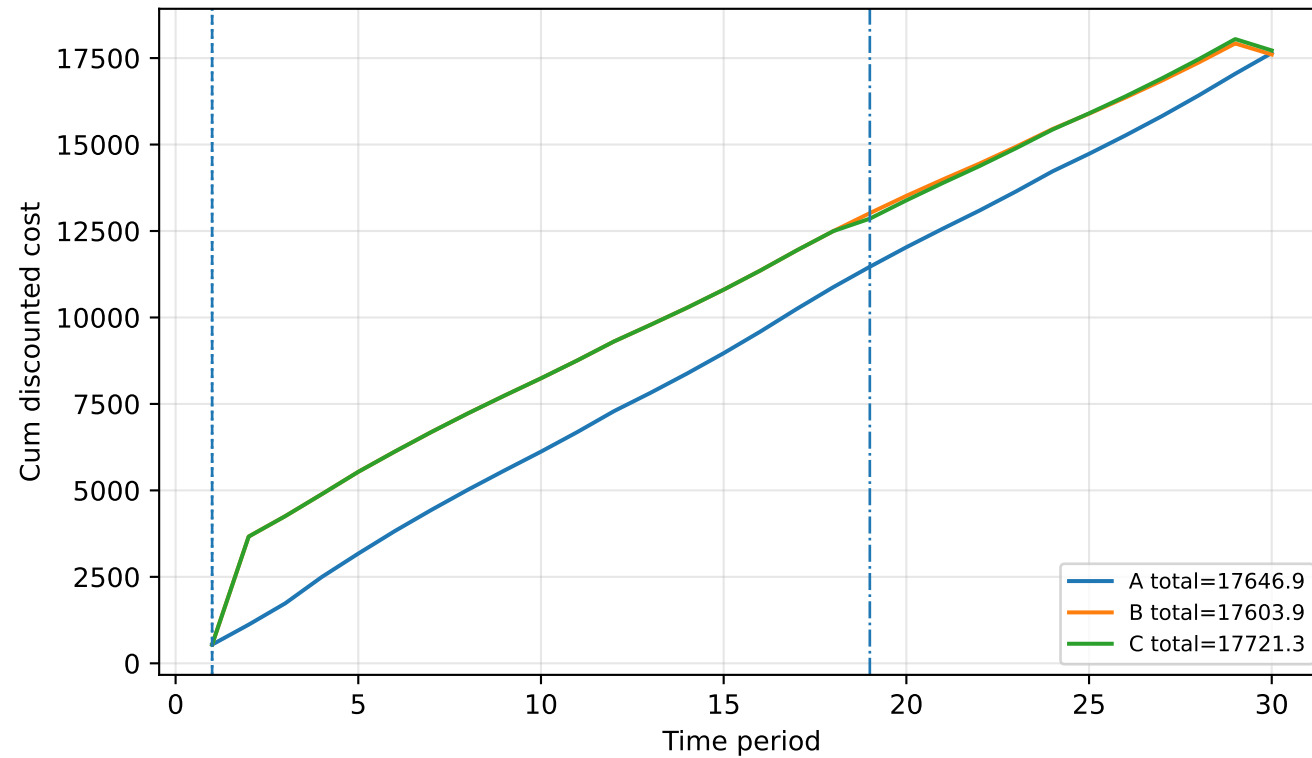

Fixed 30-period tariff schedule

Per-period cost

Cumulative discounted cost

Experiment 1 baseline redesign
Single fixed tariff scenario
H = 30 periods
Strategy B activation period = 1
Strategy C activation period = 1
Strategy C withdrawal period = 19

Main comparison

A cumulative discounted total = 17646.85
B cumulative discounted total = 17603.90
C cumulative discounted total = 17721.26
